CANADIANA COLLECTIONS

Berenson is proud to offer this collection of stocked decorative hardware inspired by the uniquely Canadian design sensibility. These highly desired transitional pieces feature a wide range of lengths and attractive finishes to meet the needs of today's consumer. These innovative collections complement a wide range of cabinet designs, enabling you to express your own sense of style while maintaining even the most modest of budgets.

At Berenson we are your First Choice for Hardware.

FINISHES SELECTION

Whether you’re looking to add contrast to your cabinetry, or just simply trying to create a calm and inviting atmosphere, you will find the perfect finish to fit your personal design style. This year, we’ve introduced four trend-inspired finishes to several of our most popular collections – warm and inviting Brushed Brass, subtle industrial Graphite, and bold, yet sophisticated Black and Matte Black.
